**RESPONSE**

As a supplement to the original response filed on October 19, 2005, and as a follow-up to the teleconference with Examiner Sheikh on November 16, 2005, today, three things are being done: (a) selected claims are being submitted as suggested by

the Examiner; a Notice of Appeal is being submitted to capture additional subject matter from the application that Applicants believe to be outside the scope of the art; and (c) and RCE is being filed to preserve the ability to work on the case further.

A petition for an additional month (in addition to the previous petition for a two month extension as submitted with the response of October 19, 2005) for a total of three months extension of time is enclosed with this Supplemental Response. Should an additional fee be due, please charge Deposit Account Number 23-0455.

In view of the following, Applicants submit that the Application is now in condition for allowance and reconsideration is respectfully requested.

**Amendments to the Claims** are reflected in the listing of claims which begins on page 3 of this paper.
